What Our Employees Say

"I love working here because I enjoy knowing what is going on in the City. It is fun being part of the fabric of this amazing City and Region!"

"We have unique events happening all the time that I get to participate in or attend, even though I'm not on the Events team."

"I really like my co-workers. We have a fun environment."

"I feel like my job makes a difference in helping businesses grow, and helping people effectively build their own."

"There's always something new happening!"

"I appreciate the collaborative culture and that we talk about issues such as race and gender equity."
