she/her

From a young age, I was inspired by my father's journey of building his small business from the ground up. Witnessing his perseverance ignited my passion for small businesses. Now, as the point of contact for businesses seeking to engage with the Seattle Metro Chamber, I bring that same spirit to facilitating connections and helping members make the most of their memberships.

What We Do

The Seattle Metropolitan Chamber of Commerce was founded in 1882 by a group of 26 visionary business and community leaders. From the beginning, the Chamber has played a key role in nearly every major decision impacting Seattle and the surrounding area, championing policies that promote economic growth and support local businesses.

As our region has evolved, we have adapted while remaining committed to our mission: empowering businesses to succeed and helping our community thrive.

Looking ahead, The Chamber is dedicated to navigating the challenges and opportunities facing our business community, ensuring our region remains a vibrant place to live, work, and grow.

Accept friend requests and manage messages

- Main menu, upper right corner, bell icon

The screenshot displays the CommUnity website interface. At the top, a dark blue navigation bar contains the 'seattle metro chamber' logo and links for Dashboard, Discussions, Groups, Directories, Resources, Events, and Contact Us. A green callout box with a curved arrow points to the top right corner, stating: 'The red dot means you have notifications or messages'. Below the navigation bar, the 'Browse Users' section features a search bar and a list of user profiles. Each profile includes a name, affiliation, and icons for adding a friend and sending a message. Two green callout boxes provide instructions: 'This button is how to add a friend' points to the friend icon, and 'This button is how to send a message' points to the message icon. Below the user list, an email interface is shown with a 'Compose' button and a list of folders (Inbox, Archive, Sent, Trash). The main email content area shows an incoming message from Heather Goss dated Wednesday, September 24, 2025, at 10:46 AM, with the text 'Hi Margaret,'. Action buttons for Reply, Reply All, and Forward are visible at the bottom right of the email content.
